CITY MUST REFUND WATER METER MONEY

Public Service Commission Ruling
Also Raises Rates 35 Cents
Thousand Cubic Feet

MINIMUM RATE IS FIXED

Consumers Hereafter Must Pay
\$1.50 a Quarter Whether or not
That Much Water is Used

ORDER EFFECTIVE MAY 15

City Gains About All That it Asked
In Petition Filed on March 27,
1914.

After waiting for over two years, the city has at last obtained a ruling from the Public Service Commission on the question of an increase in water rates. Mayor Bebout was called to Indianapolis late yesterday afternoon for a conference with the commission and the order affecting the rates and establishing rules and regulations for the water plant here, was made known to him. The order and opinion on the case was written by Commissioner Edwards.

The city gained about everything it asked in the petition for an increase in rates. The original petition filed with the commission on March 27, 1914, or shortly after the present administration came into power.

The commission granted the city an increase of thirty-five cents per thousand cubic feet of water. The old rate was \$1.50 per thousand and the new rate will be \$1.85. The new rates are effective May 15 and the administration started work today preparing to put the new rate into use at the time specified in the order.

The commission established a sliding scale of rates and made a minimum charge of \$1.50 per quarter. For the first three thousand cubic feet of water consumed a rate of \$1.85 is to be charged. This gradually grows less as the larger amount of water is consumed. The minimum charge is a new thing and means that the consumers will have to pay \$1.50 every three months whether they use this amount of water or not.

The commission sustained the petition of F. T. Loftus and eleven other flat rate users, protesting against the city installing meters in their homes at their expense and requiring a deposit of the cost of the meter. Because the city will not be allowed to charge for the meters the minimum rate will help overcome this loss of revenue.

The ruling regarding the charge for the meters and the installation was one of the important features. This ruling opens up a question that has long been contended as unfair to the consumers. It was stated today that the city would be compelled to refund the money taken in from the meter deposits. This question will have to be settled by the city. If the city is compelled to refund, it will be a rather severe blow to the finances. At present there are 900 meters in use. This means that over \$9,000 will have to be refunded in case the city finds that it cannot charge for the meters prior to the order of the commission.

The commission orders that all users of water be supplied with meters. This means that the city will have to cut off all water users who do not want the meters. At present there are about 200 flat rate consumers.

The ruling affects the Park and the Innis-Pearce furniture factories. These two factories have a fire

Salient Features of Water Rate Ruling

Water rate increased from \$1.50 per thousand cubic feet to \$1.85 per thousand cubic feet up to first 3,000 cubic feet consumed; then graduated scale, lowering cost in proportion to amount of water used.

Established minimum charge of \$1.50 a quarter regardless of whether this amount of water is used.

Special rate of \$1 per thousand and cubic feet to all schools and churches.

City prohibited from charging for the use and installation of meters. Hereafter the city will have to place meters free of charge, except in cases where the pay is doubtful, then a guarantee or deposit can be exacted.

Ruling compels all users of city water to pay by meter. This will effect about 200 who have not installed the meters.

Manufacturing and other institutions having a fire sprinkling system attached to distributive system of water plant shall pay a minimum charge per quarter according to the size of the meter installed.

sprinkler system connected with the distributive system and heretofore have paid nothing for the service. The commission's order states that they shall pay a minimum charge per quarter according to the sizes of the meter used.

The city is allowed the sum of \$40 a year for each fire hydrant. This goes in on the utilities earnings of the water plant and the city is entitled to this amount of credit, although no actual money changes hands.

The commission found that the rates, tolls and charges now in effect are inadequate and insufficient to pay operating and maintenance expense, and depreciation and held that the rules and regulations are unjustly discriminatory.

After carefully reviewing the case from its beginning the commission then enters the following order effective May 15. It is, therefore ordered by the Public Service Commission of Indiana, that the Rushville Water Works is hereby and herein authorized to file with this Commission on or before the 1st day of May, 1916, its supplemental schedule of rates, tolls, charges, rules and regulations as hereinafter set out:

Minimum Charge

There shall be a minimum charge of \$1.50 per quarter to be applied as follows: If the whole amount of water used by a consumer in any one quarter does not, when charged at the regular schedule rate, amount to as much as the minimum charge, then the consumer shall pay the minimum charge for his meter for that quarter, and shall be liable for any other charge for water consumed during the quarter through such meter. When the amount of water used by any consumer in any one quarter, charged at the regular rate, amounts to as much or more than the minimum charge for the meter through which the water is used, then the consumer shall pay for the amount of water used at the regular schedule rate and shall not be liable to the city for any minimum charge for that quarter.

Schedule of Meter Rates

For the first 3,000 cu. ft. used per quarter \$1.85 per thousand cu. ft.

For the next 3,000 cu. ft. used per quarter \$1.50 per thousand cu. ft.

For the next 5,000 cu. ft. used per

ROGER MILLER SUCCEUMS

Fifteen-Year-Old Son of Mr. and Mrs. J. F. Miller Dies

Roger Miller, 15 years old, son of Mr. and Mrs. J. F. Miller, died this morning at nine o'clock at the home of his parents, 836 North Jackson street, following a long illness from tuberculosis. For the past three weeks he had been in a serious condition and his death had been expected. He is survived by his parents and one brother and one sister. The funeral will be private. Friends may view the remains from 2 to 4 p. m. and 7 to 9 p. m. Thursday.

CINCINNATI BOND ISSUE IS PASSED

Much Elation Felt Here Because it
Makes Extension of The I.
& C. Possible

MAJORITY IS 8 OR 9 TO ONE

The Rapid Transit bond issue carried in Cincinnati yesterday by a majority of eight or nine to one, according to indications today. The most important thing about the vote, to Rushville and Rush county, is that the bond issue is for the purpose of providing an entrance to Cincinnati of interurban lines. Had it not been passed, the proposed extension of the Indianapolis & Cincinnati traction line could not have been put into Cincinnati and therefore would not have gone through, in all probability.

Although I. & C. officials were very much elated over the prospect since the subsidy carried, it was stated at the general offices of the traction company here that there was no statement forthcoming at this time. It is possible that Charles L. Henry, president of the I. & C., will have something to say some time in the near future.

MOSCOW WOMAN IS HURT; SON ESCAPES

Mrs. Dave Gosnell Suffers Broken
Leg And Other Serious In-
juries in Runaway.

HORSE FRIGHTENS AT AUTO

It just developed yesterday that Mrs. Dave Gosnell, of near Moscow, who was in a bad runaway Monday evening, sustained a broken leg in the accident. After the mishap an examination was made by a physician and it was not thought that she had suffered more than some severe bruises. Mrs. Gosnell's leg was broken just above the ankle and today it was found that her injuries were much more serious than first thought.

Mrs. Gosnell's small son accompanied her when the accident occurred, but he miraculously escaped any injury whatever, although he was thrown out of the buggy a distance of several feet.

Mrs. Gosnell and her son were going to St. Paul to do some shopping when their horse frightened at an automobile. The buggy was demolished.

The Modern Woodmen will have business of importance to consider at the meeting Thursday night and a large attendance is requested.

FEBRUARY TERM IS CLOSED TODAY

Petit and Grand Juries Are Drawn
For Opening of May Term on
Next Monday.

ECKSTROM PLEADS GUILTY

Man Alleged to Have Embezzled
\$177.75 From Piano Company
is Released

The February term of court ended today and Judge Sparks and the court officials were busy getting things in shape for the opening of the May term next Monday. Both the petit and grand juries have been drawn for the next term. The petit jury has been ordered to report next Tuesday the second day of the new term.

Ernest Eckstrom held in jail since the first of April on a charge of embezzlement, appeared before the court this morning and entered a plea of guilty to the charge. The court found that he was thirty-eight years old, but withheld judgment and allowed the defendant to go on his own recognizance. It is understood that Eckstrom will make an effort to pay back to the Baldwin Piano company the sum of \$177.75 that he is alleged to have embezzled. He was told by Judge Sparks not to leave the state and to make an effort to settle the financial end of his trouble.

Judge Sparks granted a divorce to Goldie F. Holcomb from William A. Holcomb upon payment of the costs. Part of the evidence was heard some time ago and the case was completed today.

The Whittaker Paper company, a Cincinnati firm, was granted permission by the court to bring suit against A. L. Gary, receiver for the Jacksonian. The paper company petitioned the court for this right, stating that it has a claim against William L. Newbold, Mrs. Anna Puntteny, George Puntteny and the Jacksonian Publishing company and that it was necessary to bring and prosecute a suit in order to determine its rights. It was claimed this could only be done by naming the receiver as a defendant to the proposed suit.

The members of the grand jury for the May term are as follows: Lon Alexander, Orange township; Norman Apple, Orange; Charles Kennedy, Noble; Riley Colter, Anderson; Thomas E. Gray, Ripley, and William H. Fry, Union.

The members of the petit jury are as follows: William E. Jones, Rushville; George H. Havens, Rushville; John H. Heeb, Noble; James B. Rees, Washington; E. J. Parish, Washington; W. H. Smelser, Noble; Willard Wilkinson, Jackson; John A. Fancher, Posey; John Cameron, Anderson; W. F. Matthew, Washington; Rolla E. Zorne, Union, and Gary E. Oldham, Jackson.

AGED MAN BREAKS HIS HIP

Washington Hood Falls at his Home
Near Raleigh

Washington Hood, of Washington township, is in a serious condition at his home near Raleigh suffering from a broken hip bone. Mr. Hood slipped and fell yesterday while walking about the yard at his home. Mr. Hood is eighty years old and because of his advanced age his recovery is said to be doubtful.

Lenroy Cox is seriously ill at his home here.

SETS NEW DAY'S RECORD

County Tax Collections Tuesday
Amount to \$27,000

Tax collections at the county treasurer's office yesterday totaled \$27,000 setting a record for a single day of the spring tax paying period. This large amount was made possible by two railroads paying their taxes, amounting to \$9,000. Many people are taking advantage of the suggestions offered at the office and are sending in their blank checks made payable to John O. Williams, treasurer. The office has repeatedly urged that people pay by check and not have to go to the office.

CIRCUS PERFORMER FOUND NEARLY DEAD

Jas. Coughlin, 25, of Hoosick Falls,
N. Y., Suffering From Exposure,
Is Revived.

MAYS PEOPLE COME TO HIS AID

Weak from exposure and lack of food, James Coughlin, 25, giving his home as Hoosick Falls, N. Y., and his occupation as a circus performer, was found unconscious late last evening near the Lake Erie and Western depot in Mays. He was taken to the Handy drug store and given treatment by Dr. Lord.

A few hours longer and Coughlin would have died. He stated that he was with a show in the South and was thrown out of work when the show got stranded. He worked his way to Indianapolis, and finding no work there, came on east. He intended going to Columbus and walked from Cumberland, through Dunreith and on to Mays. At Dunreith he mistook the L. E. & W. for the Pennsylvania railway. He was out in the rain all of the night before and stated that he had not had anything to eat for the past forty-eight hours.

Letters found in his pockets verified his story. The people of Mays were impressed with him, as he did not appear to be a tramp. A purse was made up for him and he was brought to this city and went to Columbus this morning. He stated that he had a cousin in Columbus.

FARMER IS BITTEN BY AN ENRAGED HOG

C. R. Oldham of Mays, May be Per-
manently Injured as Result
of Accident Today

TRYING TO SEPARATE HOGS

C. R. Oldham, a well known farmer living one mile north of Mays, was badly bitten by a male hog this morning and as a result may be crippled permanently. Mr. Oldham was attempting to separate two hogs which were fighting in the barn lot and one of the animals turned on him. Before Mr. Oldham could escape the hog sunk its tusks through his knee joint.

The injury was quite painful and if complications do not develop the knee joint may be stiff as a result. In separating the two hogs he used an axe handle and the attack of the enraged hog was so sudden that Mr. Oldham could not escape. Other parties near at the time came to his rescue and drove off the animal.

TAGGART IS NAMED FOR SENATORSHIP

Present Incumbent Nominated by
Acclamation by Democratic

in Bunch.

A PLATFORM IS ADOPTED

Mason J. Niblack is Nominated For
Lieutenant Governor on the
Fifth Ballot.

(By United Press.)

Indianapolis, Ind., April 26.—Senator Thomas Taggart was today nominated by acclamation for the United States senate to fill the short term left vacant by the death of Senator B. F. Shively. Delegates to the Democratic state convention gave Taggart a rousing ovation.

The convention ratified the primary nomination of Senator John Worth Kern for the long term senatorship.

Mason J. Niblack was nominated for lieutenant governor on the fifth ballot.

Senator Taggart's Republican opponent is James E. Watson and Senator Kern's is Harry S. New.

Delegates-at-large to the Democratic national convention nominated by acclamation were Benjamin Bosse of Evansville, William H. O'Brien of Lawrenceburg, Senator Kern and Stephen B. Fleming of Fort Wayne.

Alternates nominated were George W. Brill, Alonzo Paggett, J. A. M. Adair and E. A. Gast.

The platform as prepared by the resolution committee was ratified without debate.

All present state officials not having opposition for renomination were renominated in a bunch.

When Senator Taggart appeared on the convention platform following his nomination the scene was wild enthusiasm. Cries of "That's the boy," and "Har, Tom" greeted him.

"I wouldn't be human, I wouldn't be myself if I did not appreciate your trust and confidence," said Mr. Taggart. "I do not want this nomination, but I am too good a soldier to disobey orders."

At another point Taggart said "I hold nothing against an enemy but it would be difficult to forgive certain editors right here at home who

A large paint manufacturer asked this question of retailers throughout the country:

NO. 8 SAID:

"Does newspaper advertising pay? Yes. We would not do without that kind of advertising at all. We do not do as much of it as we ought to, but that is another question."

"Let us say, for instance, that the ad we run this or next week does not bring in a single new customer. It keeps our name before the public, and when they do want anything in the line we carry they think of the people whose names they see in papers. We think money spent in newspaper advertising is well spent."

Gums shrinking? Danger ahead!

Go now to a mirror and examine your mouth? Do your gums look "rinsed out," shrunken? Do you see a jagged appearance in the gum-line?

If so, see your dentist. He will tell you that you have *pyorrhea*, and that to save your teeth you will have to fight this dread disease at once.

From *pyorrhea* come by far the greater part of all tooth troubles. Unless treated and checked, it will result not only in the shrinking and malformation of your gums and of the bony structure into which your teeth are set, but in the loss of the teeth themselves.

A specific for *pyorrhea* has been discovered recently by dental science, and is now offered for daily treatment in *Senreco Tooth Paste*. *Senreco* combats the germ of the disease. Its regular use insures your teeth against the attack or further progress of *pyorrhea*.

But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of *Senreco* alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.

Start the *Senreco* treatment before *pyorrhea* grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get *Senreco* of your druggist today, or send 4c in stamps or coin for sample tube and folder. Address The *Senreco* Remedies Company 503 Union Central Building, Cincinnati, Ohio.

War Protection.

The American Woolen Company, of Boston, and the Arlington Mills, of Lawrence, Mass., have announced that they will pass to their employees a share of their war order prosperity in the shape of an increase of 10 per cent in wages. This will affect 25,000 operatives in the former and 7,000 in the latter company. This increase does not represent all that the woolen mill operatives have gained as a result of the increased prosperity growing out of the war boom. On the first of the year they were granted an increase of 5 per cent. Wages in the textile trades are now 25 per cent higher than formerly.

For the first time in its history the American Woolen Company paid in 1915 1 1/2 per cent on its \$20,000,000 of common stock. In 1913-14, under the blight of the Democratic tariff it paid regular dividend on the preferred stock out of surplus, its earnings not being sufficient.

The European war not only acted as a protective tariff on manufactured woolsens, but our exports to the belligerents have increased beyond all calculations. During the calendar year 1913 we exported manufacturers of wool to the value of \$4,600,000. In 1914, with five months of war, they reached \$12,500,000, while in 1915 they reached the unprecedented value of \$42,600,000. Blankets, uniforms, etc., formed the bulk of these exports, and the Department of Commerce refuses to recognize such articles as munitions of war.

A man was boasting that he was self-made. Another man standing near, remarked, "Then that relieves God of a great responsibility."

When women complain of man's pursuit, it is often an admission of vanity that prompts them.

The true wisdom of life is to be considerate of others.

Conscience is an awkward love for your fellowmen.

A holy life is often another term for a healthy life.

HUNDRED LEADING HOOSIERS

Clement Studebaker 1831-1901.

In the commercial and industrial world no man in Indiana has ever achieved greater success than Clement Studebaker. Born in Pennsylvania, reared in Ohio, he became a citizen of Indiana in 1850 making South Bend his home.

During the first two years of his residence in this state he was a teacher in the common schools. With his brother he opened a black smith shop and with a capital of \$58 began to make wagons and buggies. From this humble beginning the Studebaker plant developed until it became one of the largest in the world.

Coupled with his industrial interests, Mr. Studebaker was also an active supporter the education and public improvement. For years he was a trustee of De Pauw University was United States Commissioner to the expositions at Paris, New Orleans and Chicago. President Harrison appointed him the government representative to the Pan American congress in Washington and he was there recognized as one of the foremost industrial experts in America. He died Nov. 27, 1901.

TODAY'S ODDEST STORY

Salem, Ore., April 26.—The mysterious disappearance of 320 miles of highway in Lincoln county as shown in the biennial road report of Oregon caused the Department of Agriculture at Washington to wonder.

When Malheur, the biggest county in the state, showed an increase of 2,000 miles of highway in two years, the department demanded an explanation from State Engineer Lewis.

Today Lewis made this explanation to Washington: The 1914 road report from Lincoln county was made when the tide was out. When the 1916 report was made the tide was in, and 320 miles of coast highways were under water and couldn't be counted.

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets, you will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter that one's system collects.

If you have a pale face, yellow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men, take Dr. Edwards' Olive Tablets now and then just to keep in the pink of condition.

CLOSING EXERCISES HELD

Four Are Given Diplomas at Moscow Commencement Last Night.

The annual commencement exercises of the Moscow high school were held last night at eight o'clock at the Moscow Christian church. The address, which was delivered by the Rev. G. W. Winfrey of Alexandria, Ind., was warmly praised. The Rev. Mr. Winfrey will also speak at the Manila commencement Friday night. Wagoner's orchestra of this city played. Those receiving diplomas were Miss Inez Hardy, Fon Alter, Earl Owens and Watler Harcourt.

HAVE TROUBLE IN GETTING QUORUM

Postmasters Forget About Meeting With Democratic Convention in Session.

REORGANIZE ASSOCIATION

(By United Press.) Indianapolis, Ind., April 26.—Politics had nothing to do with the gathering here today of the Indiana Presidential Postmasters' Association, according to announcement, but the fact that most of the postmasters are democrats and that the democratic state convention was in session was said to be something more than a coincidence.

The meeting of the postmasters was held in the Federal building, but difficulty was experienced in getting a quorum for the appointees of President Wilson one by one and in groups dropped in on the convention in Tomlinson hall.

There are about 18 or 20 republican postmasters yet in Indiana, according to an estimate made today. These were invited to the organization meeting at which "Efficiency" was the general subject. The association was revived today.

MISSION WORKERS IN CONFERENCE

Men's National Missionary Congress, Most Important of Its Kind, Gets Under Way.

TO CONTINUE UNTIL APRIL 30

(By United Press.) Washington, April 26.—Regarded by mission leaders as the most important conference of the kind this country ever has known the second Men's National Missionary Congress convened here today to plan a general advance in home and foreign fields.

President Wilson attended the opening meeting. Delegates named by 76 preliminary conventions in cities all over the United States are present. The conference will end April 30.

The conference gathers without intention to plan a definite campaign of any kind; to raise money or to enter new fields. A review of the present mission situation by the world's greatest leaders, and plans for arousing wider interest in the whole field was the program.

Among the noted speakers on the program are: Dr. Shailer Matthews, just back from Japan, Sherwood Eddy, returned from India; Dr. W. D. Mackenzie, of the Hartford Seminary Foundation; Robert E. Speer, John B. Motts, Amos P. Wilder, Silas McBee, Fletcher S. Brockman, J. Campbell White and Dr. E. M. Pot-
eat.

NOTICE RED MEN

quarter \$1.25 per thousand cu. ft. For the next 5,000 cu. ft. used per quarter \$1.00 per thousand cu. ft. For the next 10,000 cu. ft. used per quarter 75c per thousand cu. ft.

Rules and Regulation

No. 1 All public and parochial or private schools and churches \$1 per 1,000 cu. ft. used in any quarter payable quarterly at the time hereinafter fixed for the payment of meter charges.

No. 2. For each fire hydrant located and maintained upon a public street or other public thoroughfare, and heretofore or hereafter set by order of the proper authorities of the City of Rushville, said city shall pay \$40 per annum, payable in four equal installments, at the time hereinafter fixed for the payment of meter charges.

No. 3. All manufacturing or other institutions having a fire sprinkling system attached to the distribution system of the municipal water plant shall pay a minimum charge per quarter according to the size of the meter installed—¾ inch meter, \$1.50 per quarter; 1 inch, \$2.50 per quarter; 2 inch, \$5 per quarter; 3 inch, \$10 per quarter; 4 inch, \$15 per quarter; 6 inch or over \$25 per quarter,—and all customers should pay for all water used at the usual rate, giving due regard to the minimum rate in each case.

No. 4. All flat rate users of the service shall be metered as soon as possible, and for which no charge shall be made by the city water plant.

No. 5. No charge shall be made in the future by the water plant for tapping mains, and said municipal water plant shall install at its own expense all services from the mains to immediately inside the curb, and shall install curb box and curb cock.

No. 6. No service shall be changed from metered to flat rate.

No. 7. No water shall be furnished to any consumer through less than a ¾ inch meter and said meter to be furnished by the municipal water plant.

No. 8.—Each meter shall be read each quarter and all bills for water shall be paid quarterly, and on or before January 10th, April, 10, July 10th and October 10 of each year.

No. 9.—The water works plant may require a deposit or solvent guarantee from each patron on metered service, whenever, after a prudent investigation, it shall reasonably believe that such deposit or guarantee is necessary to prevent loss on non-payment of bills by a patron. A deposit or guarantee shall not be required under any other condition. Such deposit or guarantee shall be 50 per cent greater than the estimated amount of such patron's bill for one quarter. When either a deposit or a guarantee is required under this rule, the patron shall have the right to determine whether he will make a deposit or furnish a solvent guarantee. In the application of this rule the municipal water plant shall act without discrimination between its patrons. Interest at the rate of three per cent per annum, payable annually, shall be paid on all deposits that remain with the municipal water plant six months or more. Should any depositor cease to be a patron, the municipal water plant shall immediately refund the deposit and interest less any unpaid bills.

No. 10. All meters shall be located at a place convenient for reading, testing and repairing, free of cost to the consumers.

No. 11 The rate herein fixed for fire hydrants shall include water used by the city for all other purposes.

ITS THREE YEARS OLD

But Mrs. Reynolds Says It's Just as Good Today as When it Was First Made

Three years ago Mrs. Reynolds testified to complete relief from kidney ills.

She now says that there has not been the slightest return of the trouble.

Rushville sufferers will take a deal of comfort in Mrs. Reynolds' statement.

Read what she says:

Mrs. B. W. Reynolds, 620 W. Fifth St., Rushville says: "Doan's Kidney Pills are an excellent medicine and do all they are advertised to do. When we used Doan's Kidney Pills in our family, they proved very beneficial."

The above statement was given July 27, 1912, and on Aug. 26, 1915 Mrs. Reynolds said: "Doan's Kidney Pills were of great help to me when I used them and the cure they gave me has proven permanent. I gladly confirm my former endorsement."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Reynolds has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y. (Advertisement)

At the meeting of the Embroidery Club, to be held with Mrs. O. R. Zimmer tomorrow afternoon the members of the club will sew for needy children.

Mitchell's orchestra, with Miss Hilda Linstrum at the piano, will play for the Easter dance to be given by the Knights of Pythias tomorrow evening. Decorations in the lodge colors will be used.

Jules Kiplinger, son of Mr. and Mrs. John Kiplinger, celebrated his eleventh birthday last evening by giving a theatre party for several of his boy friends. A visit to the confectionery completed the party which was enjoyed by William Pugh, William Behr, Louis Smith, Jean Kiplinger and William Newhouse.

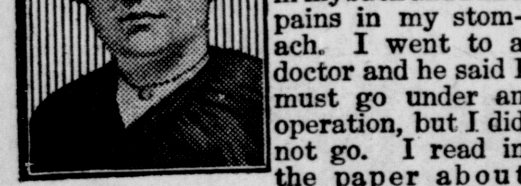

FOR VISITORS

Mrs. Guy Gordon entertained today with a prettily appointed little dinner party for Mrs. Mand Shields and Mrs. Sarah Henley, at her home in North Morgan street. A dainty basket filled with violets adorned the center of the table. The dinner served was an elegant one. Other guests were Mrs. Douglas Morris and Mrs. Harriet Plough.

WOMAN AVOIDS OPERATION

Medicine Which Made Surgeon's Work Unnecessary.

Astoria, N. Y. — "For two years I was feeling ill and took all kinds of tonics. I was getting worse every day. I had chills, my head would ache, I was always tired. I could not walk straight because of the pain in my back and I had pains in my stomach. I went to a doctor and he said I must go under an operation, but I did not go. I read in the paper about Lydia E. Pinkham's Vegetable Compound and told my husband about it. I said 'I know nothing will help me but I will try this.' I found myself improving from the very first bottle, and in two weeks time I was able to sit down and eat a hearty breakfast with my husband, which I had not done for two years. I am now in the best of health and did not have the operation." — Mrs. JOHN A. KOENIG, 502 Flushing Avenue, Astoria, N. Y.

Every one dreads the surgeon's knife and the operating table. Sometimes nothing else will do; but many times doctors say they are necessary when they are not. Letter after letter comes to the Pinkham Laboratory, telling how operations were advised and were not performed; or, if performed, did no good, but Lydia E. Pinkham's Vegetable Compound was used and good health followed.

If you want advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

Mr. and Mrs. Eli Martin, Mr. and Mrs. Ralph Miles, and Mr. and Mrs. J. L. Nipp will see the Purdue play "Around the Campus" in Indianapolis this evening.

SUPPER PARTY

Miss Georgia Hunt entertained at her home northeast of the city on Sunday evening. A delicious two course supper was served to the guests who were Miss Delphine Rees, Florence Hinchman, Lawrence Brooks, Thorp Reese and Charles Jarrett.

DINNER PARTY

Chase Jarrett entertained at the home of his parents on Sunday the following guests: the Misses Caroline Ganaway, Marie Hoffman, and Vernon Copeland, and Carl Jarrett of Spiceland, and Paul Clifton of Indianapolis. A delicious two course dinner was served at noon and was followed by a pleasant informal time.

U. P. AID

As the guests of Mrs. Hal Pike, the members of the Ladies Aid society of the United Presbyterian church had a pleasant meeting yesterday afternoon. Twelve members were present and participated in the business session and social hour which followed. During the latter, dainty refreshments were served by the hostess.

DINNER PARTY

A beautiful dinner party was the one given last evening by Mrs. Fannie Ayres at her home in West Fifth street. At the table, which was prettily arranged with hyacinths, a delicious course dinner was served. Several musical numbers aided in the pleasure of the evening. The guests of Mrs. Ayres were Mrs. Sarah Henley, Miss Galdys Henley, and Mrs. Maud Shields of Chicago, Dr. and Mrs. F. G. Hackleman, Mrs. Harriet Plough and Louis Mauzy.

POCHONTAS CONVENT

A number of the members of the order of Pocahontas of this city were in Connersville yesterday attending the district meeting of the order. The sessions were held in the Red Men's hall and in charge of Mrs. Nellie B. Hall of Connersville, great Pocahontas. Degrees were conferred on Great Council members. Thirty members of the Mahoning council and five members of the Lurline council represented the Rushville order at the meetings yesterday.

B. Y. C. D. CLASS

Friday, May 12th was the date decided upon last evening by the members of the B. Y. C. D. class for the banquet which the losing side in the contest is to give the winners. It will take place in the church and a three course dinner is to be served. The winners under the leadership of Miss Ethel Powers had the best marks in attendance during the time assigned for the contest.

At the meeting last evening held with Mr. and Mrs. Lester Smith, Miss Grace Smith, president of the class presided over the business session which was followed by the service of refreshments. Twenty-four members were present. It was decided to have the next meeting with the Misses Carrie and Edith Downey.

ENTERTAIN CLASSES

One of the weeks' most delightful episodes was the party given last evening at the home of Miss Florene Gronier by five members of the Loyal Daughters class of the Christian church for their class and the Young Men's Circle. Easter decorations predominated throughout the home, jonquils being the flowers used in creating the holiday atmosphere. Several clever contests and progressive Rook made a merry evening for the forty guests. Yellow and white was carried out in the dainty refreshments served by the hostesses who were Miss Florene Gronier, Miss Lavanche Innis, Miss Pauline Cowing, Miss Lydia Walters, Mrs. Frances Etter. Favors of Easter chickens were received by the guests.

Mr. and Mrs. Claude Hunt entertained at dinner Sunday Mr. and Mrs. Claude Guffin and son, Robert.

CHRISTIAN AID

About twenty members of the Pastor's Aid society of the Christian church attended the business meeting held yesterday afternoon in the church parlors. A business session occupied the afternoon.

KIRKPATRICK-READLE

Announcement has been received here of the marriage of Mrs. D. C. Kirkpatrick and Obern Readle, both of Detroit. The marriage was solemnized Tuesday in the Christian church of Detroit where Mr. and Mrs. Readle will make their home. Both the bride and bridegroom were former residents of this city. Mr. Readle is at present employed with an automobile factory in Detroit.

METHODIST AID

At the meeting of the Ladies Aid society of the St. Paul's M. E. church held at the home of Mrs. Ferd Retherford yesterday afternoon, a report was given showing the financial result of the penny suppers that have been given by the three divisions of the society. Over two hundred dollars were cleared as a total from the three affairs. Other matters of business were discussed and during a social period, strawberry ice cream, egg kisses and mints were served to the ladies. Mrs. Retherford was assisted by Mrs. Otto Bussard and Mrs. Wood Bishop.

ENTERTAIN CLASS

Mr. and Mrs. Emery Vandeventer of Falmouth entertained last evening about sixty-five guests, who included the Rev. and Mrs. Powers, the Sunday School class of the Christian church taught by the former and several invited guests. Pink and white was the dainty color selection, carried out by strands of paper being draped about the rooms where the guests were entertained. Music furnished by the orchestra and several vocal numbers helped in the pleasure of the hours during which time the guests played various informal games. Pink and white was also evident in the dainty refreshment served to the guests.

PRESBYTERY

The ladies from this city who attended the Presbytery being held in Connersville yesterday remained for the sessions which were held today. During the morning session, after several reports and reviews, an address was delivered by Mrs. McCrea, Home Synodical president. County meetings were then conducted by Mrs. W. K. Stewart. The afternoon session included a discussion of duties and methods of local officers, a report on Young Peoples work by Miss Anna Stearns of this city, and an address on "Filling up the Ranks" by Mrs. J. T. Tracy of the Women's Home Board of New York. This evening, after a report by the home secretary, Miss Roberta Barr of Pittsburgh will speak on "The Freedmen." This evening's meeting will close the conference.

EASTER PARTY

Mr. and Mrs. Chester Hall gave an Easter party for a number of their friends Saturday evening, when games and dancing amused the guests until a late hour. During the evening, lively music was played on the piano, violin mandolin, banjo and guitar. A delightful luncheon was served as the evening of pleasure drew near a close. In this party were Mr. and Mrs. Hall, parents of the host, from Gings, Miss Millie Vanderman, Miss Marie Kiser, of Gings, Miss Lorene Thompson of Falmouth, Omer and Lon Bowles of Falmouth, Glen Smelser of Gings, Mr. and Mrs. Wilbur Brown, Mr. and Mrs. Earl Harcourt, Mr. and Mrs. Cecil Major, Mr. and Mrs. John Benning, Mr. and Mrs. Noah Tryon, Mr. and Mrs. Wilbur Warner, Mr. and Mrs. Alva Webb, Mr. and Mrs. Calvin Hungerford and two children, the Misses Hattie Emmmons, Goldie Roam, Gladys Warner and Lillie Harcourt, and Howard Warner, Arthur Bowles, Noah Colseher, Oliver Harcourt, and Heenan Ervin.

FEDERATION OF CLUBS

Organization, co-operation, and unity were the three important factors to which Mrs. Carolyn Fairbank attributed success in club life when she addressed the Federation of Clubs at Shelbyville yesterday, giving the opening address. She also

CENTRAL LEAGUE SEASON OPENS

With Three New Cities in Organization a Prosperous Year is Expected.

SOUTH BEND LANDS BERTH

(By United Press.) Indianapolis, April 26.—Determined to reap some of the benefits of harmonized baseball, the Central League opened its season today in four cities. Despite a disastrous season, financially, in 1915, the league presented its full quota of eight cities, although among them three new faces.

Evansville, last year's champs; Terre Haute, Dayton, O., and Wheeling, W. Va., played host today to Muskegon, South Bend, Springfield, O., and Grand Rapids.

South Bend, Muskegon and Springfield displace Fort Wayne, Erie and Youngstown in the league's roster. Evansville was the only club last year to make a profit. The league graduated from the six-city class in 1915. In 1914, with six clubs, there were five contenders for the pennant.

RALSTON SOUNDS PARTY KEYNOTE

Governor "Points With Pride" to Party Achievements And Eulogizes President Wilson

HE QUOTES WILLIAM H. TAFT

Declares Long List of Laws Passed by State Administration Warrants Confidence

By DAN L. BEEBE
(U. P. Staff Correspondent.)
Indianapolis, April 26.—Pointing to the achievements of the Democratic party at Indianapolis and at Washington and pronouncing a ringing eulogy of President Wilson as "the most colossal figure of our times," Governor Samuel M. Ralston addressed the Democratic state convention here today. He indicated the path Indiana Democrats will follow in their attempt to win re-election this fall.

The Governor considered state issues first and followed with his praise of the Washington administration and the president.

Speaking of the German-American crisis over submarine warfare, Governor Ralston said it was more to be deplored because so many of our citizens were born under the German flag. He then called upon these citizens not to allow their love for their mother country to chill their loyalty to "the nation that is giving them greater liberty and surer peace than was ever known under the German flag." He said this country has been the land of opportunity and riches, and this is why so many have abandoned their birth places and sought it as a refuge from old world cruelties. The Governor quoted former President Taft's recent Chicago speech in which he upheld the president.

Governor Ralston spoke of President Wilson as "bearing far above the flames of wrath the flag of Americanism," and said, "it is not strange therefore that God has placed in his hands at this critical time the flag of our country."

A long list of state laws enacted during Democratic supremacy in Indiana was given by the Governor as warranting the confidence of the voters. He cited the new highway law, the state wide primary law, the flood prevention law, the law regulating child labor, tenement housing law, arbitration law, anti-lobby law, teachers' pension law, rural loan association law, anti-loan shark law, law regulating sale of narcotics, uniform negotiable instrument law, law simplifying methods of legal procedure, public service law, workmen's compensation law, vocational education law and others.

In his keynote speech two years ago, the governor warmly defended the public service commission. He quoted Commissioner James L. Clark, Republican member, as saying the work of the commission its first three years would compare favorably with that of any similar commission in the country. The commission by its rulings in Indianapolis, South Bend, Elkhart, Terre Haute and Evansville cases, he said, had saved the consumers many thousands of dollars.

His party's record on the state debt was lauded.

"What has happened under the present administration?" he asked. "The general fund has been reduced to seven cents and the state debt has been paid. At this hour there is more than a million dollars in the peoples state treasury, and the next legislature will be asked to reduce the peoples tax more than \$800,000 annually by repealing the sinking fund levy of one per cent."

The governor said that the claim of the Republicans that the debt was not paid was false, declaring that the debt to Purdue of \$340,000 was not a "redeemable debt," but is a trust fund on which the state is required to pay interest.

He then announced for the first time that \$30,000 in Vincennes university bonds had been paid and exhibited the bonds paid and cancelled.

In calling for the re-election of

Vice-president Marshall, the governor spoke of him as "our own brilliant Thomas R. Marshall."

The speaker pointed to present day prosperity as proof that the tariff legislation had not resulted in disaster. He praised the federal reserve act as "the high mark in financial legislation of the nation," and "the greatest in constructive design and most effective in operation of the last fifty years."

The Mexican problem was inherited from a Republican administration, the governor said. Speaking against intervention, he said: "I would not give one American boy *** for all the greasers south of the Rio Grande nor for all the gold that Americans might make from Mexican speculation."

In defending the president's non-intervention policy, Governor Ralston quoted from a speech by Senator Elihu Root in the senate in which the senator reviewed injuries to American citizens and ended by saying that "a threat of force on the part of a great and powerful nation against a smaller and weaker nation" would be to reverse the policy of the United States and take a step backward in the pathway of civilization."

The defense of the president against those who criticize his steps toward preparedness, the governor said "our navy was allowed to go backward under the administration of Theodore Roosevelt" and added that the president's great desire was "to keep this country out of war."

TAGGART IS NAMED

Continued from Page 1.

have misrepresented me."

Taggart said he was for peace, "but it must be peace with honor. Woodrow Wilson is for peace, but he demands that it shall be a peace that shall uphold the dignity of the United States."

Balloting for lieutenant-governor began shortly before one o'clock. The first ballot showed 1363 voting, with 682 necessary for a choice. The first ballot gave Mason J. Niblack 461, John H. Branaman 217, William A. Yarling 288, Fred VanNuy 397.

The second ballot gave Niblack 522, Branaman 136, Yarling 253, VanNuy 451.

While the third ballot for lieutenant-governor was being taken scattered ballots were cast for Leonard B. Clore of LaPorte, who opposed Adair at the primary. Clore was present and he addressed the convention.

"I said before the primary and I say now that I will not be a candidate for this office" said Clore. "I thank my friends but I want you to vote for the candidates making the fight."

The vote on the third ballot was: Niblack 568 19/20 Branaman 98 19/20, Yarling 201 19/20 VanNuy 444 19/20, Clore 58 1/5.

Cries of "Clore, Clore" were heard steadily and it became apparent that Clore would be a factor.

The Democratic state convention went on record today as pledging the party to better highways; to remedy injustice and inequality in taxation "by legislation and administration prohibited under the present constitutional provisions," to discontinue the sinking fund levy "because the state debt is paid;" to provide additional labor legislation and to adopt the rooster as the party emblem.

The convention endorsed the present liquor law and denounced the Republican party for failing to mention the subject in their platform. "We charge cowardice in purposely deceiving the voters by not mentioning the liquor question," stated the liquor plank.

The platform does not mention woman suffrage and by inference places the party on record against a constitutional convention and state-wide prohibition.

The primary election and the public service laws were mentioned as not yet having passed the experimental stage and the party is pledged to "make such modifications as experience may justify and wisely demand," and to reduce expense and make the operating more economical.

"We spurn the idea of conquest and seek only liberty, justice and honorable peace with all mankind," states the preparedness plank

"but deem it the part of prudence to make such military preparations as to assure the republic from intrusion."

The platform opens with an endorsement of the national administration, reviewing the accomplishments of the administration at length. Governor Ralston is commended for appointing Thomas Taggart to the United States senate and Taggart is endorsed as a man "possessing knowledge admirably fitted for efficient service in the United States senate."

The administration of Governor Ralston is termed "wise, patriotic and democratic," and as having enacted reform laws, and is described as having been economic and honest and just to capital and labor.

The question whether Taggart would accept overshadowed every thing else as the convention assembled. The general opinion was that he would, though he has repeatedly said he did not want the nomination.

J. A. M. Adair, present congressman from the Eighth Indiana district, will oppose James P. Goodrich Republican candidate, for governor.

There are six candidates for state statistician. They are Thomas W. Brolly, incumbent; George Franklin of Lafayette; George L. Beers of Osgood; J. P. Hemphill, of Rising Sun; B. A. Black of Rushville, and S. W. Kann of Ligonier.

Two active candidates are after the nomination for superintendent of public instruction. They are Daniel C. McIntosh of Worthington and Samuel C. Scott of New Albany.

The following candidates for reelection faced no opposition: Homer L. Cook for secretary of state; Dale J. Crittenger for auditor of state; George A. Bittler for treasurer of state; Phil Zoercher for reporter of the supreme court and E. B. Stotsenburg for attorney general.

At Democratic state headquarters today it was said that so far as known there will be only one contest among the judgeships. This contest is between John C. McNutt of Martinsville and Edwin Corr of Bloomington, candidates for appellate judge for the southern district. Headquarters knew of no opposition to James A. Moran for renomination for appellate judge for the northern district or Charles A. Cox and Douglas Morris for renomination for supreme judges.

RETALIATES WITH SUIT FOR DIVORCE

Oria Marts, Out on Bond on Wife Desertion Charge, Charges Cruel Treatment

ASKS CHILDREN'S CUSTODY

Oria Marts this morning filed suit for divorce from his wife Nellie A. Marts, alleging cruel and inhuman treatment. The divorce follows closely upon the arrest of Marts by his wife on a charge of wife desertion. The complaint states that they were married March 15, 1903 and separated in November 1915. He alleges that at one time she threatened to choke him and do him other bodily harm. He claims that she found fault with his professional business and occupation. Marts asks the custody of their two children.

SIX VILLISTAS KILLED

(By United Press.)

General Pershing's headquarters in Mexico, April 26 —(By Wireless)—Six Villistas were killed and nineteen wounded in a fierce three-hour running fight between a small detachment of United States cavalrymen under Colonel Dodd and 260 Villistas near Tomachic, Chihuahua last Saturday. Dodd's report received today stated that two American troopers were killed and three wounded. Dodd captured 25 horses and some loot, scattering the bandits and pursuing them until after dark.

United States Announces Belligerents Should Presume Armed Merchantman is Peaceful

ARMS NOT CAUSE FOR ATTACK

(By United Press.)
Washington, April 26.—Belligerents should presume an armed merchantman is peaceful unless there is conclusive evidence to the contrary.

This is the position of the United States officially declared today by the state department. Merely because an enemy merchant vessel is armed does not constitute sufficient reason for a belligerent to declare it a warship and to attack it regardless of the rights of persons aboard.

These points were announced to the world in a memorandum intended to make clear the American position on the general subject of armed ships. The memorandum was aimed particularly to forestall any question Germany may offer as to what the American position is on "present methods" of submarine warfare.

CITY MUST REFUND WATER METER MONEY

Public Service Commission Ruling
Also Raises Rates 35 Cents
Thousand Cubic Feet

MINIMUM RATE IS FIXED

Consumers Hereafter Must Pay
\$.150 a Quarter Whether or not
That Much Water is Used

ORDER EFFECTIVE MAY 15

City Gains About All That it Asked
In Petition Filed on March 27,
1914.

After waiting for over two years, the city has at last obtained a ruling from the Public Service Commission on the question of an increase in water rates. Mayor Lebout was called to Indianapolis late yesterday afternoon for a conference with the commission and the order affecting the rates and establishing rules and regulations for the water plant here, was made known to him. The order and opinion on the case was written by Commissioner Edwards.

The city gained about everything it asked in the petition for an increase in rates. The original petition filed with the commission on March 27, 1914, or shortly after the present administration came into power.

The commission granted the city an increase of thirty-five cents per thousand cubic feet of water. The old rate was \$.150 per thousand and the new rate will be \$.185. The new rates are effective May 15 and the administration started work today preparing to put the new rate into use at the time specified in the order.

The commission established a sliding scale of rates and made a minimum charge of \$.150 per quarter. For the first three thousand cubic feet of water consumed a rate of \$.185 is to be charged. This gradually grows less as the larger amount of water is consumed. The minimum charge is a new thing and means that the consumers will have to pay \$.150 every three months whether they use this amount of water or not.

The commission sustained the petition of F. T. Loftus and eleven other flat rate users, protesting against the city installing meters in their homes at their expense and requiring a deposit of the cost of the meter. Because the city will not be allowed to charge for the meters the minimum rate will help overcome this loss of revenue.

The ruling regarding the charge for the meters and the installation was one of the important features. This ruling opens up a question that has long been contented as unfair to the consumers. It was stated today that the city would be compelled to refund the money taken in from the meter deposits. This question will have to be settled by the city. If the city is compelled to refund, it will be a rather severe blow to the finances. At present there are 900 meters in use. This means that over \$9,000 will have to be refunded in case the city finds that it cannot charge for the meters prior to the order of the commission.

The commission orders that all users of water be supplied with meters. This means that the city will have to cut off all water users who do not want the meters. At present there are about 200 flat rate consumers.

The ruling affects the Park and the Innis-Pearce furniture factories. These two factories have a fire

Salient Features of Water Rate Ruling

Water rate increased from \$.150 per thousand cubic feet to \$.185 per thousand cubic feet up to first 3,000 cubic feet consumed; then graduated scale, lowering cost in proportion to amount of water used.

Established minimum charge of \$.150 a quarter regardless of whether this amount of water is used.

Special rate of \$1 per thousand and cubic feet to all schools and churches.

City prohibited from charging for the use and installation of meters. Hereafter the city will have to place meters free of charge, except in cases where the pay is doubtful, then a guarantee or deposit can be exacted.

Ruling compels all users of city water to pay by meter. This will effect about 200 who have not installed the meters.

Manufacturing and other institutions having a fire sprinkling system attached to distributive system of water plant shall pay a minimum charge per quarter according to the size of the meter installed.

sprinkler system connected with the distributive system and heretofore have paid nothing for the service. The commission's order states that they shall pay a minimum charge per quarter according to the sizes of the meter used.

The city is allowed the sum of \$40 a year for each fire hydrant. This goes in on the utilities earnings of the water plant and the city is entitled to this amount of credit, although no actual money changes hands.

The commission found that the rates, tolls and charges now in effect are inadequate and insufficient to pay operating and maintenance expense, and depreciation and held that the rules and regulations are unjustly discriminatory.

After carefully reviewing the case from its beginning the commission then enters the following order effective May 15. It is, therefore ordered by the Public Service Commission of Indiana, that the Rushville Water Works is hereby and herein authorized to file with this Commission on or before the 1st day of May, 1916, its supplemental schedule of rates, tolls, charges, rules and regulations as hereinafter set out:

Minimum Charge

There shall be a minimum charge of \$.150 per quarter to be applied as follows: If the whole amount of water used by a consumer in any one quarter does not, when charged at the regular schedule rate, amount to as much as the minimum charge, then the consumer shall pay the minimum charge for his meter for that quarter, and shall be liable for any other charge for water consumed during the quarter through such meter. When the amount of water used by any consumer in any one quarter, charged at the regular rate, amounts to as much or more than the minimum charge for the meter through which the water is used, then the consumer shall pay for the amount of water used at the regular schedule rate and shall not be liable to the city for any minimum charge for that quarter.

Schedule of Meter Rates

For the first 3,000 cu. ft. used per quarter \$.185 per thousand cu. ft.
For the next 3,000 cu. ft. used per quarter \$.150 per thousand cu. ft.
For the next 5,000 cu. ft. used per

ROGER MILLER SUCCEUMS

Fifteen-Year-Old Son of Mr. and Mrs. J. F. Miller Dies

Roger Miller, 15 years old, son of Mr. and Mrs. J. F. Miller, died this morning at nine o'clock at the home of his parents, 836 North Jackson street, following a long illness from tuberculosis. For the past three weeks he had been in a serious condition and his death had been expected. He is survived by his parents and one brother and one sister. The funeral will be private. Friends may view the remains from 2 to 4 p. m. and 7 to 9 p. m. Thursday.

CINCINNATI BOND ISSUE IS PASSED

Much Elation Felt Here Because it
Makes Extension of The I.
& C. Possible

MAJORITY IS 8 OR 9 TO ONE

The Rapid Transit bond issue carried in Cincinnati yesterday by a majority of eight or nine to one, according to indications today. The most important thing about the vote, to Rushville and Rush county, is that the bond issue is for the purpose of providing an entrance to Cincinnati of interurban lines. Had it not been passed, the proposed extension of the Indianapolis & Cincinnati traction line could not have been put into Cincinnati and therefore would not have gone through, in all probability.

Although I. & C. officials were very much elated over the prospect since the subsidy carried, it was stated at the general offices of the traction company here that there was no statement forthcoming at this time. It is possible that Charles L. Henry, president of the I. & C., will have something to say some time in the near future.

MOSCOW WOMAN IS HURT; SON ESCAPES

Mrs. Dave Gosnell Suffers Broken
Leg And Other Serious In-
juries in Runaway.

HORSE FRIGHTENS AT AUTO

It just developed yesterday that Mrs. Dave Gosnell, of near Moscow, who was in a bad runaway Monday evening, sustained a broken leg in the accident. After the mishap an examination was made by a physician and it was not thought that she had suffered more than some severe bruises. Mrs. Gosnell's leg was broken just above the ankle and today it was found that her injuries were much more serious than first thought.

Mrs. Gosnell's small son accompanied her when the accident occurred, but he miraculously escaped any injury whatever, although he was thrown out of the buggy a distance of several feet.

The Modern Woodmen will have business of importance to consider at the meeting Thursday night and a large attendance is requested.

FEBRUARY TERM IS CLOSED TODAY

Petit and Grand Juries Are Drawn
For Opening of May Term on
Next Monday.

ECKSTROM PLEADS GUILTY

Man Alleged to Have Embezzled
\$177.75 From Piano Company
is Released

The February term of court ended today and Judge Sparks and the court officials were busy getting things in shape for the opening of the May term next Monday. Both the petit and grand juries have been drawn for the next term. The petit jury has been ordered to report next Tuesday the second day of the new term.

Ernest Eckstrom held in jail since the first of April on a charge of embezzlement, appeared before the court this morning and entered a plea of guilty to the charge. The court found that he was thirty-eight years old, but withheld judgment and allowed the defendant to go on his own recognizance. It is understood that Eckstrom will make an effort to pay back to the Baldwin Piano company the sum of \$177.75 that he is alleged to have embezzled. He was told by Judge Sparks not to leave the state and to make an effort to settle the financial end of his trouble.

Judge Sparks granted a divorce to Goldie F. Holcomb from William A. Holcomb upon payment of the costs. Part of the evidence was heard some time ago and the case was completed today.

The Whittaker Paper company, a Cincinnati firm, was granted permission by the court to bring suit against A. L. Gary, receiver for the Jacksonian. The paper company petitioned the court for this right, stating that it has a claim against William L. Newbold, Mrs. Anna Puntenney, George Puntenney and the Jacksonian Publishing company and that it was necessary to bring and prosecute a suit in order to determine its rights. It was claimed this could only be done by naming the receiver as a defendant to the proposed suit.

The members of the grand jury for the May term are as follows: Lon Alexander, Orange township; Norman Apple, Orange; Charles Kennedy, Noble; Riley Colter, Anderson; Thomas E. Gray, Ripley, and William H. Fry, Union.

The members of the petit jury are as follows: William E. Jones, Rushville; George H. Havens, Rushville; John H. Heeb, Noble; James B. Rees, Washington; E. J. Parish, Washington; W. H. Smelser, Noble; Willard Wilkinson, Jackson; John A. Fancher, Posey; John Cameron, Anderson; W. F. Matthew, Washington; Rolla E. Zorne, Union, and Gary E. Oldham, Jackson.

SETS NEW DAY'S RECORD

County Tax Collections Tuesday
Amount to \$27,000

Tax collections at the county treasurer's office yesterday totalled \$27,000 setting a record for a single day of the spring tax paying period. This large amount was made possible by two railroads paying their taxes, amounting to \$9,000. Many people are taking advantage of the suggestions offered at the office and are sending in their blank checks made payable to John O. Williams, treasurer. The office has repeatedly urged that people pay by check and not have to go to the office.

CIRCUS PERFORMER FOUND NEARLY DEAD

Jas. Coughlin, 25, of Hoosick Falls,
N. Y., Suffering From Exposure,
Is Revived.

MAYS PEOPLE COME TO HIS AID

Weak from exposure and lack of food, James Coughlin, 25, giving his home as Hoosick Falls, N. Y., and his occupation as a circus performer, was found unconscious late last evening near the Lake Erie and Western depot in Mays. He was taken to the Handy drug store and given treatment by Dr. Lord.

A few hours longer and Coughlin would have died. He stated that he was with a show in the South and was thrown out of work when the show got stranded. He worked his way to Indianapolis, and finding no work there, came on east. He intended going to Columbus and walking from Cumberland, through Dunreith and on to Mays. At Dunreith he mistook the L. E. & W. for the Pennsylvania railway. He was out in the rain all of the night before and stated that he had not had anything to eat for the past forty-eight hours.

Letters found in his pockets verified his story. The people of Mays were impressed with him, as he did not appear to be a tramp. A purse was made up for him and he was brought to this city and went to Columbus this morning. He stated that he had a cousin in Columbus.

FARMER IS BITTEN BY AN ENRAGED HOG

C. R. Oldham of Mays, May be Per-
manently Injured as Result
of Accident Today

TRYING TO SEPARATE HOGS

C. R. Oldham, a well known farmer living one mile north of Mays, was badly bitten by a male hog this morning and as a result may be crippled permanently. Mr. Oldham was attempting to separate two hogs which were fighting in the barn lot and one of the animals turned on him. Before Mr. Oldham could escape the hog sunk its tusks through his knee joint.

The injury was quite painful and if complications do not develop the knee joint may be stiff as a result. In separating the two hogs he used an axe handle and the attack of the enraged hog was so sudden that Mr. Oldham could not escape. Other parties near at the time came to his rescue and drove off the animal.

A PLATFORM IS ADOPTED

Mason J. Niblack is Nominated For
Lieutenant Governor on the
Fifth Ballot.

(By United Press.)
Indianapolis, Ind., April 26.—Senator Thomas Taggart was today nominated by acclamation for the United States senate to fill the short term left vacant by the death of Senator B. F. Shively. Delegates to the Democratic state convention gave Taggart a rousing ovation.

The convention ratified the primary nomination of Senator John Worth Kern for the long term senatorship.

Mason J. Niblack was nominated for lieutenant governor on the fifth ballot.

Senator Taggart's Republican opponent is James E. Watson and Senator Kern's is Harry S. New.

Delegates-at-large to the Democratic national convention nominated by acclamation were Benjamin Bosse of Evansville, William H. O'Brien of Lawrenceburg, Senator Kern and Stephen B. Fleming of Fort Wayne.

Alternates nominated were George W. Brill, Alonzo Paggett, J. A. M. Adair and E. A. Gast.

The platform as prepared by the resolution committee was ratified without debate.

All present state officials not having opposition for renomination were renominated in a bunch.

When Senator Taggart appeared on the convention platform following his nomination the scene was wild enthusiasm. Cries of "That's the boy," and "Har, Tom" greeted him.

"I wouldn't be human, I wouldn't be myself if I did not appreciate your trust and confidence," said Mr. Taggart. "I do not want this nomination, but I am too good a soldier to disobey orders."

At another point Taggart said "I hold nothing against an enemy but it would be difficult to forgive certain editors right here at home who

A large paint manufacturer asked this question of retailers throughout the country:

NO. 8 SAID:

"Does newspaper advertising pay? Yes. We would not do without that kind of advertising at all. We do not do as much of it as we ought to, but that is another question."

"Let us say, for instance, that the ad we run this or next week does not bring in a single new customer. It keeps our name before the public, and when they do want anything in the line we carry they think of the people whose names they see in papers. We think money spent in newspaper advertising is well spent."

Gums shrinking? Danger ahead!

Go now to a mirror and examine your mouth? Do your gums look "rinsed out," shrunken? Do you see a jagged appearance in the gum-line?

If so, see your dentist. He will tell you that you have *pyorrhea*, and that to save your teeth you will have to fight this dread disease at once.

From *pyorrhea* come by far the greater part of all tooth troubles. Unless treated and checked, it will result not only in the shrinking and malformation of your gums and of the bony structure into which your teeth are set, but in the loss of the teeth themselves.

A specific for *pyorrhea* has been discovered recently by dental science, and is now offered for daily treatment in *Senreco Tooth Paste*. *Senreco* combats the germ of the disease. Its regular use insures your teeth against the attack or further progress of *pyorrhea*.

But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of *Senreco* alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.

Start the *Senreco* treatment before *pyorrhea* grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get *Senreco* of your druggist today; or send 4c in stamps or coin for sample tube and folder. Address The Santanel Remedies Company 503 Union Central Building, Cincinnati, Ohio.

Right Shoes

A man or woman should exercise the same care in selecting a pair of shoes that they would in buying a house. For they live in both! There's no earthly use in a person wearing an ill-fitting uncomfortable, poor looking, unsatisfactory pair of shoes. And you won't if you buy them of us. They are exactly right in style and in construction. They bring customers back who want "NONE BUT THE BEST."

TO GET POSSESSION OF SON

Noah Fry of Henry county has filed a habeas corpus proceedings against his divorced wife Emma Fry to get possession of his son Chester Fry, age five years. According to the petition, Fry, was granted a divorce from his wife April 13 in the Henry circuit court and was given the custody of the boy. He alleges that she is keeping the child in her possession in Rush county wrongfully and illegally and without cause. He asks the court for a writ of habeas corpus be issued and that the child be ordered delivered to him.

War Protection.

The American Woolen Company, of Boston, and the Arlington Mills, of Lawrence, Mass., have announced that they will pass to their employees a share of their war order prosperity in the shape of an increase of 10 per cent in wages. This will affect 25,000 operatives in the former and 7,000 in the latter company. This increase does not represent all that the woolen mill operatives have gained as a result of the increased prosperity growing out of the war boom. On the first of the year they were granted an increase of 5 per cent. Wages in the textile trades are now 25 per cent higher than formerly.

For the first time in its history the American Woolen Company paid in 1915 11 per cent on its \$20,000,000 of common stock. In 1913-14, under the blight of the Democratic tariff it paid regular dividend on the preferred stock out of surplus, its earnings not being sufficient.

The European war not only acted as a protective tariff on manufactured wools, but our exports to the belligerents have increased beyond all calculations. During the calendar year 1913 we exported manufacturers of wool to the value of \$4,600,000. In 1914, with five months of war, they reached \$12,500,000, while in 1915 they reached the unprecedented value of \$42,600,000. Blankets, uniforms, etc., formed the bulk of these exports, and the Department of Commerce refuses to recognize such articles as munitions of war.

A man was boasting that he was self-made. Another man standing near, remarked, "Then that relieves God of a great responsibility."

When women complain of man's pursuit, it is often an admission of vanity that prompts them.

The true wisdom of life is to be considerate of others.

Conscience is an awkward love for your fellowmen.

A holy life is often another term for a healthy life.

HUNDRED LEADING HOOSIERS

Clement Studebaker 1831-1901.

In the commercial and industrial world no man in Indiana has ever achieved greater success than Clement Studebaker. Born in Pennsylvania, reared in Ohio, he became a citizen of Indiana in 1850 making South Bend his home.

During the first two years of his residence in this state he was a teacher in the common schools. With his brother he opened a black smith shop and with a capital of \$58 began to make wagons and buggies. From this humble beginning the Studebaker plant developed until it became one of the largest in the world.

Compled with his industrial interests, Mr. Studebaker was also an active supporter the education and public improvement. For years he was a trustee of De Pauw University was United States Commissioner to the expositions at Paris, New Orleans and Chicago. President Harrison appointed him the government representative to the Pan American congress in Washington and he was there recognized as one of the foremost industrial experts in America. He died Nov. 27, 1901.

"Everything is Happy"—Six juniors.
"On This Joyful Easter Morn"—Four junior boys.
"Open the Doors to the Orphan"—Four junior boys.
"The Wondrous Story"—Three girls.
"Easter Goodbye"—Zeola Merrill.
Quartet—"Springtime is Coming."

There was a splendid attendance at Sunday School and the offering \$7.80 was sent to the National Benevolent Association of the Christian church for the support of Widows and Orphans.

TODAY'S ODDEST STORY

Salem, Ore., April 26.—The mysterious disappearance of 320 miles of highway in Lincoln county as shown in the biennial road report of Oregon caused the Department of Agriculture at Washington to wonder. When Malheur, the biggest county in the state, showed an increase of 2,000 miles of highway in two years, the department demanded an explanation from State Engineer Lewis. Today Lewis made this explanation to Washington: The 1914 road report from Lincoln county was made when the tide was out. When the 1916 report was made the tide was in, and 320 miles of coast highways were under water and couldn't be counted.

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets, you will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter that one's system collects.

If you have a pale face, rallow lock, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men, take Dr. Edwards' Olive Tablets now and then just to keep in the pink of condition. Dr. Edwards' Olive Tablets, the successful substitute for calomel—10c and 25c per box. All druggists.

CLOSING EXERCISES HELD

Four Are Given Diplomas at Moscow Commencement Last Night.

The annual commencement exercises of the Moscow high school were held last night at eight o'clock at the Moscow Christian church. The address, which was delivered by the Rev. G. W. Winfrey of Alexandria, Ind., was warmly praised. The Rev. Mr. Winfrey will also speak at the Manilla commencement Friday night. Wagoner's orchestra of this city played. Those receiving diplomas were Miss Inez Hardy, Fon Alter, Earl Owens and Watler Harcourt.

HAVE TROUBLE IN GETTING QUORUM

Postmasters Forget About Meeting With Democratic Convention in Session.

REORGANIZE ASSOCIATION

(By United Press.)
Indianapolis, Ind., April 26.—Politics had nothing to do with the gathering here today of the Indiana Presidential Postmasters' Association, according to announcement, but the fact that most of the postmasters are democrats and that the democratic state convention was in session was said to be something more than a coincidence. The meeting of the postmasters was held in the Federal building, but difficulty was experienced in getting a quorum for the appointees of President Wilson one by one and in groups dropped in on the convention in Tomlinson hall. There are about 18 or 20 republican postmasters yet in Indiana, according to an estimate made today. These were invited to the organization meeting at which "Efficiency" was the general subject. The association was revived today.

MISSION WORKERS IN CONFERENCE

Men's National Missionary Congress, Most Important of Its Kind, Gets Under Way.

TO CONTINUE UNTIL APRIL 30

(By United Press.)
Washington, April 26.—Regarded by mission leaders as the most important conference of the kind this country ever has known the second Men's National Missionary Congress convened here today to plan a general advance in home and foreign fields.

President Wilson attended the opening meeting. Delegates named by 76 preliminary conventions in cities all over the United States are present. The conference will end April 30.

The conference gathers without intention to plan a definite campaign of any kind; to raise money or to enter new fields. A review of the present mission situation by the world's greatest leaders, and plans for arousing wider interest in the whole field was the program.

Among the noted speakers on the program are: Dr. Shailer Matthews, just back from Japan, Sherwood Eddy, returned from India; Dr. W. D. Mackenzie, of the Hartford Seminary Foundation; Robert E. Speer, John B. Motts, Amos P. Wilder, Silas McBee, Fletcher S. Brockman, J. Campbell White and Dr. E. M. Poter.

NOTICE RED MEN

Rules and Regulation

No. 1 All public and parochial or private schools and churches \$1 per 1,000 cu. ft. used in any quarter payable quarterly at the time hereinafter fixed for the payment of meter charges.

No. 2 For each fire hydrant located and maintained upon a public street or other public thoroughfare, and heretofore or hereafter set by order of the proper authorities of the City of Rushville, said city shall pay \$40 per annum, payable in four equal installments, at the time hereinafter fixed for the payment of meter charges.

No. 3 All manufacturing or other institutions having a fire sprinkling system attached to the distribution system of the municipal water plant shall pay a minimum charge per quarter according to the size of the meter installed—3 inch meter, \$1.50 per quarter; 1 inch, \$2.50 per quarter; 2 inch, \$5 per quarter; 3 inch, \$10 per quarter; 4 inch, \$15 per quarter; 6 inch or over \$25 per quarter, and all customers should pay for all water used at the usual rate, giving due regard to the minimum rate in each case.

No. 4 All flat rate users of the service should be metered as soon as possible, and for which no charge shall be made by the city water plant.

No. 5. No charge shall be made in the future by the water plant for tapping mains, and said municipal water plant shall install at its own expense all services from the mains to immediately inside the curb, and shall install curb box and curb cock.

No. 6. No service shall be changed from metered to flat rate.

No. 7. No water shall be furnished to any consumer through less than a 3/4 inch meter and said meter to be furnished by the municipal water plant.

No. 8.—Each meter shall be read each quarter and all bills for water shall be paid quarterly, and on or before January 10th, April 10, July 10th and October 10 of each year.

No. 9.—The water works plant may require a deposit or solvent guarantee from each patron on metered service, whenever, after a prudent investigation, it shall reasonably believe that such deposit or guarantee is necessary to prevent loss on non-payment of bills by a patron. A deposit or guarantee shall not be required under any other condition. Such deposit or guarantee shall be 50 per cent greater than the estimated amount of such patron's bill for one quarter. When either a deposit or a guarantee is required under this rule, the patron shall have the right to determine whether he will make a deposit or furnish a solvent guarantee. In the application of this rule the municipal water plant shall act without discrimination between its patrons. Interest at the rate of three per cent per annum, payable annually, shall be paid on all deposits that remain with the municipal water plant six months or more. Should any depositor cease to be a patron, the municipal water plant shall immediately refund the deposit and interest less any unpaid bills.

No. 10. All meters shall be located at a place convenient for reading, testing and repairing, free of cost to the consumers.

No. 11 The rate herein fixed for fire hydrants shall include water used by the city for all other purposes.

ITS THREE YEARS OLD

But Mrs. Reynolds Says It's Just as Good Today as When it Was First Made

Three years ago Mrs. Reynolds testified to complete relief from kidney ills.

She now says that there has not been the slightest return of the trouble.

Rushville sufferers will take a deal of comfort in Mrs. Reynolds' statement.

Read what she says:

Mrs. B. W. Reynolds, 620 W. Fifth St., Rushville, says: "Doan's Kidney Pills are an excellent medicine and do all they are advertised to do. When we used Doan's Kidney Pills in our family, they proved very beneficial."

The above statement was given July 27, 1912, and on Aug. 26, 1915 Mrs. Reynolds said: "Doan's Kidney Pills were of great help to me when I used them and the cure they gave me has proven permanent. I gladly confirm my former endorsement."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Reynolds has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y. (Advertisement)

At the meeting of the Embroidery Club, to be held with Mrs. O. R. Zimmer tomorrow afternoon the members of the club will sew for needy children.

Mitchell's orchestra, with Miss Hilda Linstrum at the piano, will play for the Easter dance to be given by the Knights of Pythias tomorrow evening. Decorations in the lodge colors will be used.

Jules Kiplinger, son of Mr. and Mrs. John Kiplinger, celebrated his eleventh birthday last evening by giving a theatre party for several of his boy friends. A visit to the confectionery completed the party which was enjoyed by William Pugh, William Belier, Louis Smith, Jean Kiplinger and William Newhouse.

FOR VISITORS

Mrs. Guy Gordon entertained today with a prettily appointed little dinner party for Mrs. Mand Shields and Mrs. Sarah Henley, at her home in North Morgan street. A dainty basket filled with violets adorned the center of the table. The dinner served was an elegant one. Other guests were Mrs. Douglas Morris and Mrs. Harriet Plough.

WOMAN AVOIDS OPERATION

Medicine Which Made Surgeon's Work Unnecessary.

Astoria, N. Y. — "For two years I was feeling ill and took all kinds of tonics. I was getting worse every day. I had chills, my head would ache, I was always tired. I could not walk straight because of the pain in my back and I had pains in my stomach. I went to a doctor and he said I must go under an operation, but I did not do it. I read in the paper about Lydia E. Pinkham's Vegetable Compound and told my husband about it. I said 'I know nothing will help me but I will try this.' I found myself improving from the very first bottle, and in two weeks time I was able to sit down and eat a hearty breakfast with my husband, which I had not done for two years. I am now in the best of health and did not have the operation." — Mrs. JOHN A. KOENIG, 502 Flushing Avenue, Astoria, N. Y.

Every one dreads the surgeon's knife and the operating table. Sometimes nothing else will do; but many times doctors say they are necessary when they are not. Letter after letter comes to the Pinkham Laboratory, telling how operations were advised and were not performed; or, if performed, did no good, but Lydia E. Pinkham's Vegetable Compound was used and good health followed.

If you want advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

Mr. and Mrs. Claude Hunt, entertained at dinner Sunday Mr. and Mrs. Claude Guffin and son, Robert.

CHRISTIAN AID

About twenty members of the Pastor's Aid society of the Christian church attended the business meeting held yesterday afternoon in the church parlors. A business session occupied the afternoon.

KIRKPATRICK-READLE

Announcement has been received here of the marriage of Mrs. D. C. Kirkpatrick and Obern Readle, both of Detroit. The marriage was solemnized Tuesday in the Christian church of Detroit where Mr. and Mrs. Readle will make their home. Both the bride and bridegroom were former residents of this city. Mr. Readle is at present employed with an automobile factory in Detroit.

METHODIST AID

At the meeting of the Ladies Aid society of the St. Paul's M. E. church held at the home of Mrs. Ferd Retherford yesterday afternoon, a report was given showing the financial result of the penny suppers that have been given by the three divisions of the society. Over two hundred dollars were cleared as a total from the three affairs. Other matters of business were discussed and during a social period, strawberry ice cream, egg kisses and mints were served to the ladies. Mrs. Retherford was assisted by Mrs. Otto Bussard and Mrs. Wood Bishop.

ENTERTAIN CLASS

Mr. and Mrs. Emery Vandeventer of Falmouth entertained last evening about sixty-five guests, who included the Rev. and Mrs. Powers, the Sunday School class of the Christian church taught by the former and several invited guests. Pink and white was the dainty color selection, carried out by strands of paper being draped about the rooms where the guests were entertained. Music furnished by the orchestra and several vocal numbers helped in the pleasure of the hours during which time the guests played various informal games. Pink and white was also evident in the dainty refreshment served to the guests.

PRESBYTERY

The ladies from this city who attended the Presbytery being held in Connersville yesterday remained for the sessions which were held today. During the morning session, after several reports and reviews, an address was delivered by Mrs. McCrea, Home Synodical president. County meetings were then conducted by Mrs. W. K. Stewart. The afternoon session included a discussion of duties and methods of local officers, a report on Young Peoples work by Miss Anna Stearns of this city, and an address on "Filling up the Ranks" by Mrs. J. T. Tracy of the Women's Home Board of New York. This evening, after a report by the home secretary, Miss Roberta Barr of Pittsburgh will speak on "The Freedmen." This evening's meeting will close the conference.

EASTER PARTY

Mr. and Mrs. Chester Hall gave an Easter party for a number of their friends Saturday evening, when games and dancing amused the guests until a late hour. During the evening, lively music was played on the piano, violin, mandolin, banjo and guitar. A delightful luncheon was served as the evening of pleasure drew near a close. In this party were Mr. and Mrs. Hall, parents of the host, from Gings, Miss Millie Vanderman, Miss Marie Kiser, of Gings, Miss Lorene Thompson of Falmouth, Omer and Lon Bowles of Falmouth, Glen Smelser of Gings, Mr. and Mrs. Wilbur Brown, Mr. and Mrs. Earl Harcourt, Mr. and Mrs. Cecil Major, Mr. and Mrs. John Benning, Mr. and Mrs. Noah Tryon, Mr. and Mrs. Wilbur Warner, Mr. and Mrs. Alva Webb, Mr. and Mrs. Calvin Hungerford and two children, the Misses Hattie Emmons, Goldie Roam, Gladys Warner and Lillie Harcourt, and Howard Warner, Arthur Bowles, Noah Colseher, Oliver Harcourt, and Heenan Ervin.

CENTRAL LEAGUE SEASON OPENS

With Three New Cities in Organization a Prosperous Year is Expected.

SOUTH BEND LANDS BERTH

(By United Press.) Indianapolis, April 26.—Determined to reap some of the benefits of harmonized baseball, the Central League opened its season today in four cities. Despite a disastrous season, financially, in 1915, the league presented its full quota of eight cities, although among them three new faces.

Evansville, last year's champs; Terre Haute, Dayton, O., and Wheeling, W. Va., played host today to Muskegon, South Bend, Springfield, O., and Grand Rapids.

South Bend, Muskegon and Springfield displace Fort Wayne, Erie and Youngstown in the league's roster. Evansville was the only club last year to make a profit. The

RALSTON SOUNDS PARTY KEYNOTE

Governor "Points With Pride" to
Party Achievements And Eu-
logizes President Wilson

HE QUOTES WILLIAM H. TAFT

Declares Long List of Laws Passed
by State Administration
Warrants Confidence

By DAN L. BEEBE
(U. P. Staff Correspondent.)
Indianapolis, April 26.—Pointing to the achievements of the Democratic party at Indianapolis and at Washington and pronouncing a ringing eulogy of President Wilson as "the most colossal figure of our times," Governor Samuel M. Ralston addressed the Democratic state convention here today. He indicated the path Indiana Democrats will follow in their attempt to win re-election this fall.

The Governor considered state issues first and followed with his praise of the Washington administration and the president.

Speaking of the German-American crisis over submarine warfare, Governor Ralston said it was more to be deplored because so many of our citizens were born under the German flag. He then called upon these citizens not to allow their love for their mother country to chill their loyalty to "the nation that is giving them greater liberty and surer peace than was ever known under the German flag." He said this country has been the land of opportunity and riches, and this is why so many have abandoned their birth places and sought it as a refuge from old world cruelties. The Governor quoted former President Taft's recent Chicago speech in which he upheld the president.

Governor Ralston spoke of President Wilson as "bearing far above the flames of wrath the flag of Americanism," and said, "it is not strange therefore that God has placed in his hands at this critical time the flag of our country."

A long list of state laws enacted during Democratic supremacy in Indiana was given by the Governor as warranting the confidence of the voters. He cited the new highway law, the state wide primary law, the flood prevention law, the law regulating child labor, tenement housing law, arbitration law, anti-lobby law, teachers' pension law, rural loan association law, anti-loan shark law, law regulating sale of narcotics, uniform negotiable instrument law, law simplifying methods of legal procedure, public service law, workmen's compensation law, vocational education law and others.

In his keynote speech two years ago, the governor warmly defended the public service commission. He quoted Commissioner James L. Clark, Republican member, as saying the work of the commission its first three years would compare favorably with that of any similar commission in the country. The commission by its rulings in Indianapolis, South Bend, Elkhart, Terre Haute and Evansville cases, he said, had saved the consumers many thousands of dollars.

His party's record on the state debt was lauded.

"What has happened under the present administration?" he asked. "The general fund has been reduced to seven cents and the state debt has been paid. At this hour there is more than a million dollars in the peoples state treasury, and the next legislature will be asked to reduce the peoples tax more than \$800,000 annually by repealing the sinking fund levy of one per cent."

The governor said that the claim of the Republicans that the debt was not paid was false, declaring that the debt to Purdue of \$340,000 was not a "reducible debt," but is a trust fund on which the state is required to pay interest.

He then announced for the first time that \$30,000 in Vincennes university bonds had been paid and exhibited the bonds paid and cancelled.

In calling for the re-election of

Vice-president Marshall, the governor spoke of him as "our own brilliant Thomas R. Marshall."

The speaker pointed to present day prosperity as proof that the tariff legislation had not resulted in disaster. He praised the federal reserve act as "the high mark in financial legislation of the nation," and "the greatest in constructive design and most effective in operation of the last fifty years."

The Mexican problem was inherited from a Republican administration, the governor said. Speaking against intervention, he said: "I would not give one American boy *** for all the greasers south of the Rio Grande nor for all the gold that Americans might make from Mexican speculation."

In defending the president's non-intervention policy, Governor Ralston quoted from a speech by Senator Elihu Root in the senate in which the senator reviewed injuries to American citizens and ended by saying that "a threat of force on the part of a great and powerful nation against a smaller and weaker nation" would be to reverse the policy of the United States and take a step backward in the pathway of civilization."

The defense of the president against those who criticize his steps toward preparedness, the governor said "our navy was allowed to go backward under the administration of Theodore Roosevelt" and added that the president's great desire was "to keep this country out of war."

TAGGART IS NAMED

Continued from Page 1.

have misrepresented me."

Taggart said he was for peace, "but it must be peace with honor. Woodrow Wilson is for peace, but he demands that it shall be a peace that shall uphold the dignity of the United States."

Balloting for lieutenant-governor began shortly before one o'clock. The first ballot showed 1363 voting, with 682 necessary for a choice. The first ballot gave Mason J. Niblack 461, John H. Brannaman 217, William A. Yarlson 238, Fred VanNuy 397.

The second ballot gave Niblack 522, Brannaman 136, Yarlson 253, VanNuy 451.

While the third ballot for lieutenant-governor was being taken scattered ballots were cast for Leonard B. Clore of LaPorte, who opposed Adair at the primary. Clore was present and he addressed the convention.

"I said before the primary and I say now that I will not be a candidate for this office" said Clore. "I thank my friends but I want you to vote for the candidates making the fight."

The vote on the third ballot was: Niblack 568 19/20 Brannaman 98 19/20, Yarlson 201 19/20 VanNuy 444 19/20, Clore 58 1/5.

Cries of "Clore, Clore" were heard steadily and it became apparent that Clore would be a factor.

The Democratic state convention went on record today as pledging the party to better highways; to remedy injustice and inequality in taxation "by legislation and administration prohibited under the present constitutional provisions," to discontinue the sinking fund levy "because the state debt is paid," to provide additional labor legislation and to adopt the rooster as the party emblem.

The convention endorsed the present liquor law and denounced the Republican party for failing to mention the subject in their platform. "We charge cowardice in purposely deceiving the voters by not mentioning the liquor question," stated the liquor plank.

The platform does not mention woman suffrage and by inference places the party on record against a constitutional convention and state-wide prohibition.

The primary election and the public service laws were mentioned as not yet having passed the experimental stage and the party is pledged to "make such modifications as experience may justify and wisely demand," and to reduce expense and make the operating more economical.

"We spurn the idea of conquest and seek only liberty, justice and honorable peace with all mankind," states the preparedness plank

"but deem it the part of prudence to make such military preparations" as to assure the republic from intrusion."

The platform opens with an endorsement of the national administration, reviewing the accomplishments of the administration at length. Governor Ralston is commended for appointing Thomas Taggart to the United States senate and Taggart is endorsed as a man "possessing knowledge admirably fitted for efficient service in the United States senate."

The administration of Governor Ralston is termed "wise, patriotic and democratic," and as having enacted reform laws, and is described as having been economic and honest and just to capital and labor.

The question whether Taggart would accept overshadowed every thing else as the convention assembled. The general opinion was that he would, though he has repeatedly said he did not want the nomination.

J. A. M. Adair, present congressman from the Eighth Indiana district, will oppose James P. Goodrich Republican candidate, for governor.

There are six candidates for state statistician. They are Thomas W. Brody, incumbent; George Franklin of Lafayette; George L. Beers of Osgood; J. P. Hemphill, of Rising Sun; B. A. Black of Rushville, and S. W. Kann of Ligonier.

Two active candidates are after the nomination for superintendent of public instruction. They are Daniel C. McIntosh of Worthington and Samuel C. Scott of New Albany.

The following candidates for re-election faced no opposition: Homer L. Cook for secretary of state; Dale J. Crittenger for auditor of state; George A. Bittler for treasurer of state; Phil Zoercher for reporter of the supreme court and E. B. Spotsburg for attorney general.

At Democratic state headquarters today it was said that so far as known there will be only one contest among the judgeships. This contest is between John C. McNutt of Martinsville and Edwin Carr of Bloomington, candidates for appellate judge for the southern district. Headquarters knew of no opposition to James A. Moran for renomination for appellate judge for the northern district or Charles A. Cox and Douglas Morris for renomination for supreme judges.

RETALIATES WITH SUIT FOR DIVORCE

Oria Marts, Out on Bond on Wife
Desertion Charge, Charges
Cruel Treatment

ASKS CHILDREN'S CUSTODY

Oria Marts this morning filed suit for divorce from his wife Nellie A. Marts, alleging cruel and inhuman treatment. The divorce follows closely upon the arrest of Marts by his wife on a charge of wife desertion. The complaint states that they were married March 15, 1903 and separated in November 1915. He alleges that at one time she threatened to choke him and do him other bodily harm. He claims that she found fault with his professional business and occupation. Marts asks the custody of their two children.

SIX VILLISTAS KILLED

(By United Press.)
General Pershing's headquarters in Mexico, April 26.—(By Wireless)—Six Villistas were killed and nineteen wounded in a fierce three-hour running fight between a small detachment of United States cavalrymen under Colonel Dodd and 260 Villistas near Tomachic, Chihuahua last Saturday. Dodd's report received today stated that two American troopers were killed and three wounded. Dodd captured 25 horses and some loot, scattering the bandits and pursuing them until after dark.

WOULD FORESTALL GERMAN QUESTION

United States Announces Belligerents Should Presume Armed Merchantman is Peaceful

ARMS NOT CAUSE FOR ATTACK

(By United Press.)
Washington, April 26.—Belligerents should presume an armed merchantman is peaceful unless there is conclusive evidence to the contrary.

This is the position of the United States officially declared today by the state department. Merely because an enemy merchant vessel is armed does not constitute sufficient reason for a belligerent to declare it a warship and to attack it regardless of the rights of persons aboard.

These points were announced to the world in a memorandum intended to make clear the American position on the general subject of armed ships. The memorandum was aimed particularly to forestall any question Germany may offer as to "present methods" of submarine warfare.
